IMPORTANT INFORMATION

Please double check the details you've entered. They can't be changed. ANZ doesn't check these details and if your money goes to the wrong Recipient, it may not be recoverable.

In some limited circumstances, ANZ may be able to stop or cancel a transfer of funds. Contact ANZ's International Support Centre on 1800 681 683 (or +61 3 8565 7229) to request ANZ to stop or cancel a Payment. Contact hours are weekdays 8am - 5pm AEST/AEDT. It's not possible to cancel or delete an IMT in ANZ Internet Banking.

¹ The estimated arrival time assumes that ANZ and any Correspondent/recipient bank are open for business during the relevant period, that the relevant currency is available and able to be dealt with by ANZ, that there are no legal, regulatory or policy restrictions imposed by a relevant Authority, and that the Correspondent/recipient bank is able to receive, clear

and settle the funds. Actual arrival time may vary. For more information about how ANZ estimates arrival times, visit www.anz.com/imt.

- ² Correspondent fee is a reasonable estimate of the fee(s) charged by Correspondent(s) to make the Payment to the Recipient's account. The fee data is sourced from SWIFT. Actual fee(s) or other charges may be different.
- ³ This is an estimate of what the Recipient gets, after any estimated Correspondent fees are deducted. The Recipient's bank may charge additional fees for receiving the Payment.
- ⁴ Total estimated fees is the sum of the ANZ transfer fee and any estimated Correspondent fee(s) that may be charged by Correspondent(s) to make the Payment to the Recipient's account. Additional fees and charges may apply if using an ANZ Credit Card to pay for an International Money Transfer.
